

The Treehouse

Sights and Sounds Scavenger Hunt

Rustle, Chirp, Splash! What made that sound? Use your eyes and ears to discover the world around you. Paddling through quiet waters gives you an excellent opportunity to see and hear things that you may otherwise miss. Close your eyes and listen. What do you hear? Open your eyes and look around. What do you see? Use the check list below and mark what you have discovered.

- Red Wing Cattails
- Buzzing insect
- Animal tracks on the shore
- Water strider (an insect that can walk on water—Amazing!)
- Bubbles (did you see them or hear them?)
- Duck
- Dragonfly
- Rustling leaves
- Fish
- Babbling water
- Cloud
- The sound of the wind
- Ripples in the water
- Butterfly
